Docket No. SUN-DA-126T
Serial No. 10/747,599

Remarks

Claims 1-3 are pending in the subject application. By this Amendment, claims 1, 2, and 3 have been amended. Upon entry of these amendments, claims 1-3 will be before the Examiner. Favorable consideration of the pending claims is respectfully requested.

The rejection of claims 1-3 under 35 U.S.C. § 112, second paragraph, have been obviated by the above amendments. In particular, "a dielectric layer, a first conducting layer, and a first insulating layer" is definite and support can be found in the specification at paragraphs [0007] - [0008] and Figures 1 and 2. Claims 2 and 3 have been amended to recite "second insulating layer" and "third insulating layer," accordingly. No new matter has been introduced by these amendments. Applicants thanks the Examiner for his careful reading of the subject application

In view of the foregoing remarks and amendments to the claims, Applicants believe that the claims as currently pending are in condition for allowance, and such action is respectfully requested.

The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§ 1.16 or 1.17 as required by this paper to Deposit Account 19-0065.

The Applicants invites the Examiner to call the undersigned if clarification is needed on any of this response, or if the Examiner believes a telephonic interview would expedite the prosecution of the subject application to completion.

Respectfully submitted,
